## TESTAMONIALS

*“As an affiliate member of the Cortland County Board of Realtors I have benefitted greatly from things like networking, educational seminars, and referrals. Unlike some other local boards, the Cortland County Board works together for the benefit of its members. The leadership has its hand firmly on the tiller, and the realtors are great to work with. They are a fun bunch of people! NBT has been an affiliate member for decades—I can’t imagine what it would be like if we weren’t involved. I would encourage attorneys, appraisers, surveyors, indeed, anyone involved in real estate in any way to join as I believe you will benefit personally and the board will benefit as a group.”*

~ Chris Hotchkiss, NBT Bank

*“As an affiliate, I love working with the Cortland County Board of Realtors®. It is always a pleasure working with a group of professionals that are efficient, knowledgeable, friendly, and hard-working. In my experience they are always willing to go above and beyond to help all sides of a real estate transaction.” ~ Nicole Cottone, CFCU Community Credit Union*

*“We at Syracuse Securities enjoy our relationship with the members of the Cortland County Board of Realtors®. We find being part of the board allows us to network and build our business. We enjoy having local affiliation and benefit from the board activities.*

~ Heather Connell, Syracuse Securities, Inc.

*“I have been an affiliate member of the Cortland County Board of Realtors since 2004. During some of that time I served as Board Attorney and had the honor of handling the legal business of the organization, but even after serving I have continued my affiliate membership and highly encourage other professionals to join. This organization is a great asset in our local business community.” ~ Margaret Robinson, Margaret Robinson Law*
